To the head of the organization

12.09.2016 № 15-11/827-363

Ref. # _____ dated _____

On participation in the forum

The Ministry of Healthcare hereby informs you that “Healthcare of Belarus 2017” — the 24th International Specialized Forum — will be held in Minsk (Belarus) on March 21-24, 2017; starting from 1994, the forum has been organized under the auspices of the Ministry of Healthcare of the Republic of Belarus.

“Healthcare of Belarus” is the largest medical forum in the region in the field of medicine and healthcare; it attracts a large number of participants from Belarus and other countries who consider the event as a key occasion to demonstrate new achievements and developments, to discuss things with the experts and managers of healthcare institutions, to meet partners and potential customers. In 2016, the fair exhibited the products made by over 200 companies from 14 countries; and over 10,000 people visited it.

The forum yearly offers a saturated event agenda, including scientific and practical workshops, conferences and presentations prepared by the Ministry of Healthcare and other participants of the exhibition.

The Ministry of Healthcare hereby invites your organization to participate in “Healthcare of Belarus 2017 / Belarus Medica” — the 24th Belarusian Medical Forum and International Specialized Exhibition, — and we kindly ask you to provide us your preferred list of the planned activities so that we could prepare the events on time and inform a wide range of stakeholders; please provide your information by December 01, 2016 via e-mail medica@tc.by or fax + 375 17 203 3386.

For more information about the events, terms and conditions of participation, please contact the organizer — Technics and Communications JSC — by the Internet — <http://www.tc.by/exhibitions/medica2017> — or by phone: + 375 17 203 3386; the focal point is Mrs. Irina KLIMCHENKO, Belarus Medica Project Manager.

Deputy Minister

I.G. Lositski
