Re: On participation in the 22nd
Belarusian Energy and Ecology Forum

Dear Madam/Sir,

According to the National Exhibitions Calendar of the Republic of Belarus for 2017, the Ministry of Energy of the Republic of Belarus in cooperation with other partners concerned held the **22nd Belarusian Energy and Ecology Forum** (hereinafter – the Forum). The event will take place in Minsk (Belarus) from 10 to 13 October 2017. The Forum includes the 22nd International Specialized Exhibition: Energy. Ecology. Energy Saving. Electro (Energy Expo' 2017); Specialized Exhibitions: ExpoLIHGT, Atomexpo-Belarus, Water and Air Technologies, Oil&Gas Technologies and ExpoCITY.

On 11-13 October, 2017 in the framework of the Forum it is also planned to held the 22nd Belarusian Energy and Ecology Congress.

Since the Energy Expo was first held in 1995, it traditionally draws attention of leading world's and domestic producers of equipment, materials and technology for the energy sector, environmental protection, energy saving and electrical engineering. In its sphere the exhibition is one of the largest in the CIS and Baltic countries. In 2016 the products were represented by more than 300 companies from 14 countries of the world. Exhibitors included the largest domestic enterprises and foreign companies interested in promotion of their products and technologies in Belarus market.

On behalf of the Ministry of Energy of the Republic of Belarus let me invite you to participate in the 22nd Belarusian Energy and Ecology Forum, exhibitions and congress.

For more information please contact the Exhibition Projects Manager ZAO "TECHNICS AND COMMUNICATIONS" by phone: tel. (+375 17) 3060606 (Mr. Andrey Kazimirchik), fax (+375 17) 2033386, e-mail: energy@tc.by, <http://www.energyexpo.by>.

Attachment: information booklet.
