

BELARUSIAN DENTAL FORUM

STOMATOLOGY OF BELARUS / BELARUSDENT

International Specialized Exhibition

BELARUSIAN DENTAL CONGRESS

October 17-19, 2018, Minsk, Belarus

The **Belarusian Dental Forum** including the 14 th **Stomatology of Belarus / BelarusDent** International Specialized Exhibition and the 6 th **Belarusian Dental Congress**, will take place in Minsk (Republic of Belarus) on October 17-19, 2018.

Venue: Pobediteley av. 14, Minsk, Belarus.

Organizer: ZAO “Technics and Communications” (T&C).

Under the auspices of the Ministry of Health of the Republic of Belarus.

Today the Forum is the largest event in this field in the Republic of Belarus. The main objective of the Forum is to demonstrate experience of the world leading and local vendors, and manufacturers of dental equipment, materials, instruments, new products and technologies and to inform practitioners about the condition status and development trends of this industry both in Belarus and abroad.

An extensive scientific program implemented within the framework of the Forum’s events will enable modern medical specialists to share expertise, establish new contacts, and set strategic plans.

The **Stomatology of Belarus / BelarusDent** Annual Specialized Exhibition makes considerable contribution to implementing new medical technologies and improving the health care system of Belarus.

In 2017, the fair exhibited the products made by **over 60 companies from 14 countries** of the world (Austria, Belarus, China, Germany, Czechia, Finland, Israel, Latvia, Russia, Slovakia, South Korea, Switzerland, Japan, Ukraine). The business program of the Forum was comprised over 100 theoretical and practical conferences, workshops, seminars, discussions and presentations.
