

II BELARUSIAN ICT SUMMIT IS PLACE OF GATHERING OF ICT PROFESSIONALS

On May 16, 2018, from 10 a.m. to 6 p.m., the Congress Hall, Minsk-Arena (Pobediteley Avenue, 111) hosted the **II Belarusian ICT Summit** as part of the 25th International Forum on Information and Communication Technologies "TIBO-2018".

The Summit was organized by the Ministry of Communications and Informatization, Technics and Communications, JSC.

The Summit was composed of the Plenary and Thematic Sessions dedicated to the following modern technology trends: broadband access technologies, Internet of Things, big data, advanced analytics, cloud technologies, machine learning, artificial intelligence, augmented and virtual reality, blockchain, 3D modeling and visualization technologies, information security, etc.

At the Summit, participants were able to present innovative solutions and advanced technologies, as well as establish viable and long-term business contacts.

The Summit aroused great interest and gathered a record-breaking number of participants: **502 experts** representing **190 organizations** from **9 countries across the globe** (Azerbaijan, Belarus, Germany, China, Russia, Turkey, Ukraine, Czech Republic, Switzerland).

Senior and middle management made up **56% of the audience**.

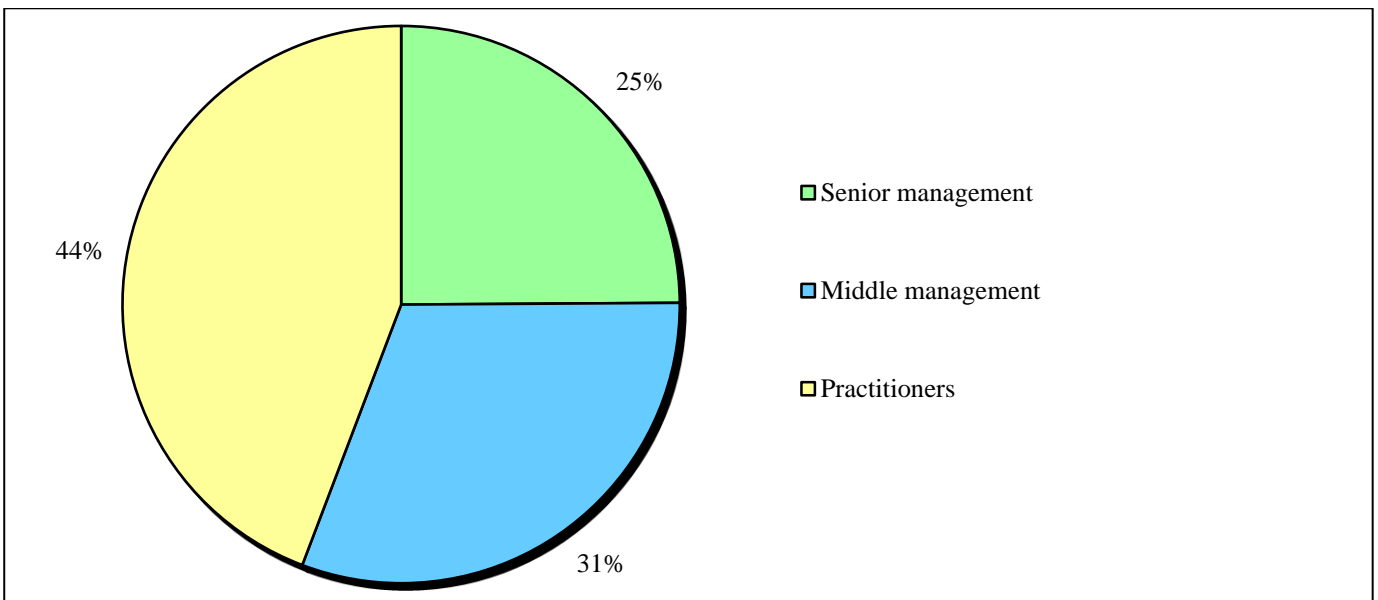

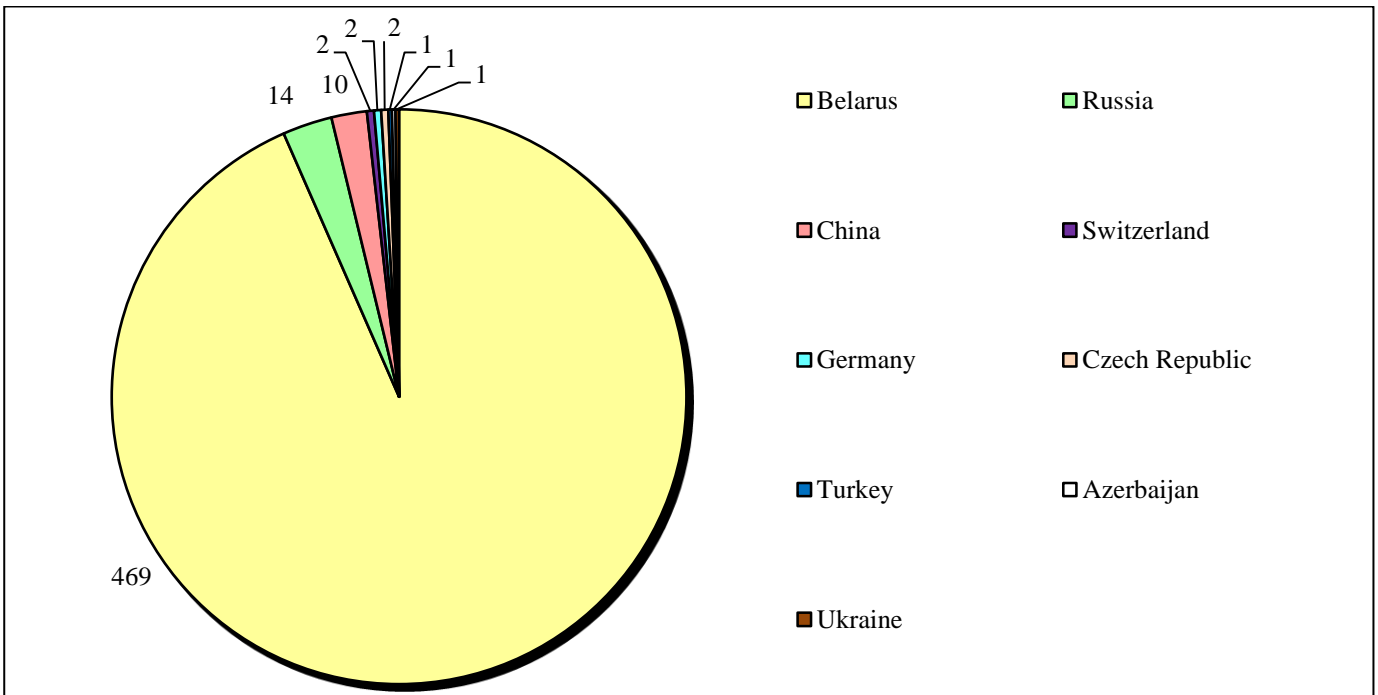

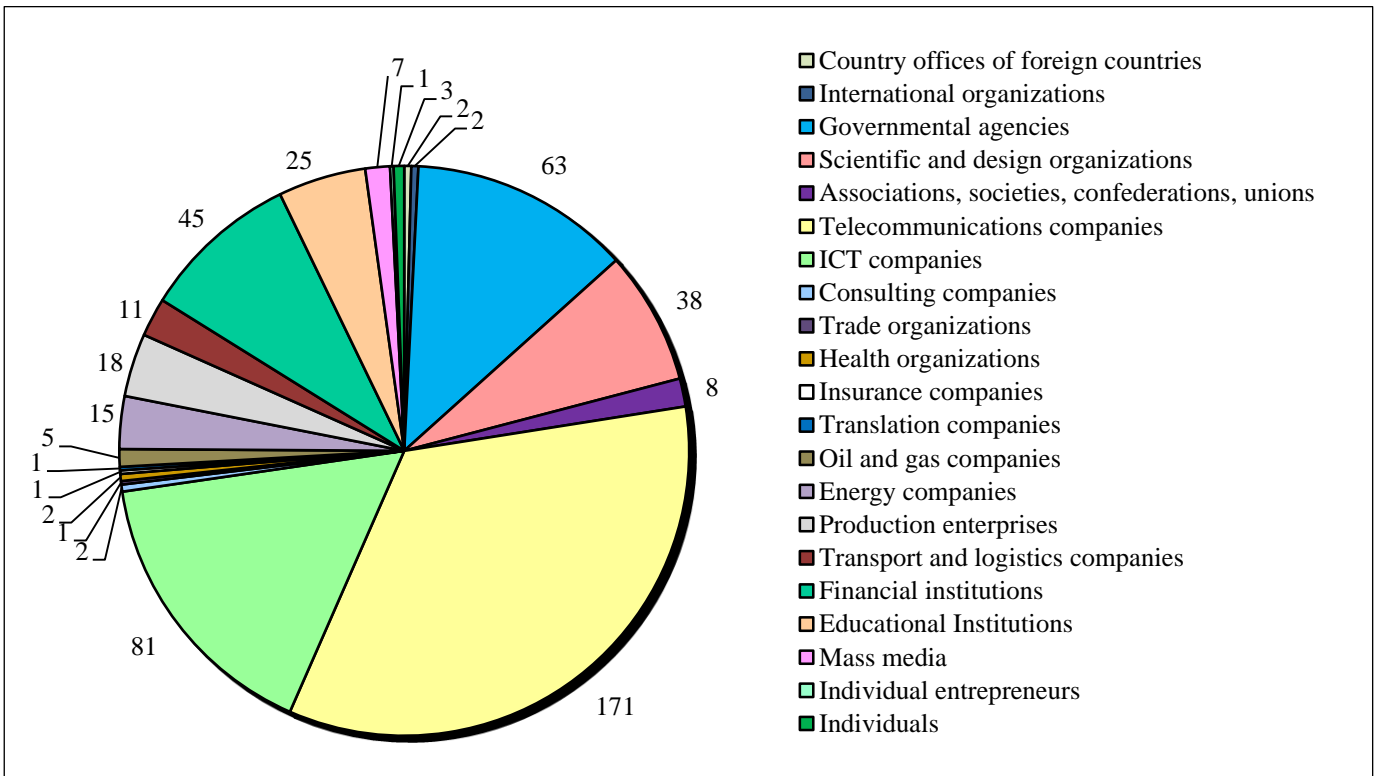

Participants included representatives of diplomatic missions and international organizations accredited in Belarus; representatives of governmental bodies; sectoral associations; scientific and design organizations; telecommunications, consulting, translation, energy, oil and gas, transport and logistics, insurance, medical and ICT companies; financial and educational institutions; production and trade enterprises; mass media.

The participants of the Summit were expected to have a rich [program](#) of speeches, as well as the opportunity to participate in the discussion. The presentations of the speakers can be found at: <http://www.tc.by/exhibitions/tibo/ICTSummit/>.

The event was covered by the leading mass media. There was an Internet broadcast of the Summit on the TIBO-2018 forum website and the official pages of the TIBO-2018 forum in social networks in Russian and English:
