On participation in the Belarusian Transport Week

The Belarusian Transport Week will be held in Minsk City (Belarus) on October 3-5, 2017 according to Order #9p by the Prime Minister of the Republic of Belarus dated January 13, 2017; the event will include the 11th TRANSPORT & LOGISTICS-2017 International Specialized Exhibition and the 11th Belarusian Transport and Logistics Congress.

The Belarusian Transport Week plays a crucial role in the development of the transport industry and the logistics system of the Republic of Belarus, and of the neighboring states; it facilitates innovations and investments, and promotes exports of transportation and logistics services.

The participants of the exhibition will demonstrate all types of the state-of-the-art transportation systems and equipment; technologies and equipment to design, build, repair and maintain various types of transport communications; cargo shipping and passenger transportation services; information and support systems for transportations and logistics.

On behalf of the Organizing Committee, please let me invite you and your colleagues to participate in the Belarusian Transport Week where you can present your company's products, evaluate the market environment, and establish long-term business relations.

The details of the Belarusian Transport Week are available at:
