

BELARUSIAN TRANSPORT WEEK 2017

BELARUSIAN TRANSPORT AND LOGISTICS CONGRESS

TRANSPORT AND LOGISTICS 2017

International Specialized Exhibition

October 3-5, 2017, Minsk, Belarus

The **Belarusian Transport Week 2017**, organized by ZAO "Technics and Communications" under the auspices of the Ministry of Transport and Communications of the Republic of Belarus, **will be held in Minsk (Republic of Belarus) on October 3-5, 2017.**

Belarusian Transport Week 2017 includes the **Belarusian Transport and Logistics Congress** and International Specialized Exhibitions "**Transport & Logistics 2017**".

The **Belarusian Transport Week** plays a crucial role in development of the transport infrastructure and the logistics system of the Republic of Belarus and the neighboring states, assists in bringing in innovations and investments, and helps grow the scope of international transportations.

Over 80 companies from 9 countries of the world (Austria, Belarus, France, Latvia, Lithuania, Poland, Russia, Sweden, Ukraine) participated in the **Belarusian Transport Week 2016**. The participants of the exhibition demonstrated all types of the state-of-the-art transportation systems and auxiliary equipment; technologies and equipment to design, build, repair and maintain various types of transport communications; shipping and passenger transportation services; supply chain management systems; information and support systems for transport means and logistics. Transport and logistics centers, international companies and ports presented their services.

Under the umbrella of the forum, there was the **Belarusian Transport and Logistics Congress**; at the congress, global development trends of transport and logistics centers, creation of modern logistics centers, growth of transportation and transit business and corresponding services, attracting of international cargo flows were discussed.

Welcome to the Belarusian Transport Week on October 3-5, 2017 in Minsk, Republic of Belarus!
